

SUNDAY'S ONLY

Please note:

If your visit encompasses a Sunday, please be aware that we stop serving food at around 2.45 - 3pm on Sunday lunchtimes, and our bars close at around 6 pm. We do this all year round except Bank holidays, so this does mean that you will need to make alternative arrangements if you wish to take an evening meal. There is a Chinese and an Indian restaurants 4/5 mins walk from us.

This will not affect your coming and going from the rooms as these are independent to the main building.
